

品質政策 Quality policy

公司建立品質政策及品質目標，同仁應充分瞭解並展開於各自的工作上，以建立並維護一個有效率、符合國際及客戶要求的品質管理系統，提高產品品質與客戶滿意度，達成持續成長與永續經營之目標。我們對品質政策及品質目標的承諾如下，請相關單位主管宣導至所屬同仁，包含現場作業人員。

BenQ Materials has established a Quality Policy and Quality Objectives, and all employees are expected to fully understand and implement them in their respective work to establish and maintain an efficient quality management system that complies with international standards and customer requirements, thereby enhancing product quality and customer satisfaction and achieving the goals of continuous growth and sustainable operation. Our commitments to the Quality Policy and Quality Objectives are as follows. Supervisors of relevant units are requested to communicate and promote them to all employees under their supervision, including on-site operators.
